

# Ice Skating

## United States Figure Skating Association

The United States Figure Skating Association, is the governing body of amateur figure skating clubs in the United States. Tests in moves, freestyle, pair and dance are the measurement of progress in the various branches of the sport. Competitions on every level are a principal incentive for figure skaters to train, develop and improve their proficiency. By ascending the competition "ladder", competitors registered with the U.S. Figure Skating Association gain entry into international figure skating events among them the World Championships and the Olympic Games.

## Ice Skating Institute

The Ice Skating Institute, I.S.I. is an instructional program that appeals to all ice skating interests and styles for the purpose of encouraging people of all ages to skate more often.

All skaters enrolled in the Learn to Skate program are eligible to become individual members of the Ice Skating Institute.

A cost of \$15 for an I.S.I. membership includes your own national membership and registration number, identification card, one year subscription to Recreational Ice Skating Magazine, a limited accident insurance policy, membership certificate and membership badge.

## ISI Test Registration & Patches

Skaters may receive a patch and have their tests registered with I.S.I. only if they have an I.S.I. membership. Forms for membership are available in the Nelson Sports Complex office.

## Attention Parents/Guardians

Listed below are several safety guidelines the Park District encourages parents/guardians to follow when dropping their child(ren) off at a Park District program.

- Please escort children to and from the building, pool, field etc.
- Please take child directly into class or activity area.
- Please try to stay with child until the instructor arrives/begins the class.
- On occasion an instructor may encounter an emergency or an unexpected situation which causes them to be late or miss a class. If this occurs, the instructor notifies the program supervisor as quickly as possible and the supervisor addresses the situation as quickly as possible.

## Chicago Jazz Synchronized Skating

Rolling Meadows Park District Ice Arenas are the home rinks for the Chicago Jazz Synchronized Skating Teams. There are seven teams representing the Chicago Jazz. Two teams, the Mousettes and the Shooting Stars, skate in the Ice Skating Institute (ISI) competitions and the other five represent the Chicago Figure Skating Club in U.S. Figure Skating competitions. We are proud to announce that our teams had a wonderfully successful season. At the 2010 U.S. Nationals, the Jazz won the Bronze Medal in the juvenile division and the Pewter Medal in the Junior division. Congratulations to all of the Chicago Jazz skaters on another spectacular season! For more information about Chicago Jazz or becoming a member, contact Mike Nardella at 847-541-5772.
