Hockey Tots (Level 1) (Ages 3-9)

Our Hockey Tot/Learn to Skate class is part of the Renegades Program. This class will put beginner skaters on track to participate in our hockey program. All the same features of the RMPD Learn to Skate class with a bit of hockey flare. First time skaters will learn: the proper way to fall, marching while standing and moving, swizzles, push and glide and two foot glide. Basic hockey activities such as playing with pucks and shooting will be incorporated into the end of each class, when skaters are balanced and confident enough to do so. No experience is needed. Skates, helmet and sticks are available for use in class at each ice arena.

Pre-Mites (Level 2)

Pre-mites is for players passing through the Hockey Tot class, Learn to Skate Tots 2 class, Pre-Alpha class, or can skate the length of the ice with a push and glide motion (not marching or walking motion). Class covers all the basic skating techniques used in the game of hockey, along with an introduction to puck handling, passing and shooting, all in a fun, educational atmosphere. This class is intended to give kids the basic introduction to the sport of ice hockey so they may continue their education of the game for years to come.

Equipment needed: HECC certified helmet with face mask, elbow pads, shin guards, hockey gloves, hockey skates and stick.

Pre-Mite League

Pre-Mite League is your player's first introduction to the game of hockey. The league follows the USA Hockey Initiation program format of cross ice games. The ice is divided into smaller sections and each section has it's own game. This format allows for the beginning skater to have more success while enjoying the first experience in a game setting.

Scoring is not kept, to decrease the competitiveness of the games and keep the emphasis on learning and having fun. During games positions are not followed, allowing for a free flowing game that is easier for the kids to enjoy and more effective for their skill development. All Pre-Mites are encouraged to join the Pre-Mite League as an addition to their regular class. All games and teams are divided by talent level and not by age.
