Thor Guard

Lightning Prediction System

"A Proactive Solution for Lightning Safety"

Thor Guard operates 7 days per week, 8am-11pm from April thru November. A warning horn will sound a 15 second blast when a potentially dangerous weather situation is approaching. Clear the field immediately and seek proper shelter. Wait for the ALL CLEAR (3 short blasts). If no all clear signal sounds after 20 minutes please leave the program. This policy applies to all outdoor programming for youth and adults.

Thorguard locations are:

Nelson Sports Complex (audible at Community Center Parks)

Rolling Meadows High School (audible at Park Central)

Plum Grove Park (audible at Sunset Park)

Kimball Hill Park (audible at Florey Park)
