Award Winning Dance Company

All dancers ages 10+, beginner to advanced, are welcome into the performing company, but will be placed appropriately based on age and technique. Dancers will be required to participate in classes ALL year (3 sessions) and take an intensive 1 ½ hour class studying all styles of dance. It is highly recommended that participants also take an additional appropriate leveled class other than the company class. Performances will include the annual traveling holiday show to various nursing homes, spring traveling show, Great America, a special company production number in the recital, and the 4th of July parade. Students will perform a dance for each style in the recital, which means multiple costumes will need to be purchased. Participants will also be invited to attend the Tremaine Dance Convention, usually held in February. If there is a desire, company members may also compete at one competition.

We will hold placement “auditions” on 8/16, if you have previously auditioned you do not need to audition again. Students will come to the “audition” for their age group, learn a routine, perform it, and then be placed into the company that best fits their talent level. All students interested will be placed in a company! Please bring the completed application and current picture with you to the audition. Please contact Kristin at RMPDdance@gmail.com for application and audition time. You will receive an email regarding the audition schedule closer to the audition time. Plan to be available between 6:00 and 7:30 that day.

If you have questions, please contact Kristin at:
RMPDdance@gmail.com (**DO NOT CALL THE PARK DISTRICT!**)

See payment Plan Option on page 20.
